Wrap-Up

Labs

Central to CIEC are the two hands-on, technology-focused labs:

Pre-Assessment Lab

This is an 8-hour, diagnostic assessment that is used to measure the student's skills and highlight the areas of weakness that need to be addressed before taking the exam. Common areas of knowledge deficiency will be incorporated into the class by the trainer.

Graded Assessment Lab 1

This hands-on lab challenges the issue-spotting skills of students by using the following core technologies:

Campus infrastructure and services
Cisco Unified Communications Manager and Cisco Unified Communications Manager Express endpoints
Gateways
Call-routing policies
High-availability features
Media resources
